Dear Mr. Bennet:

Enclosed is correspondence I have received from constituents who are concerned that their daughter, Laura S. Thompson, may have been one of the victims of the tragedy in Guyana.

Any advice you could give on this situation would be appreciated.

Sincerely,

James C. Cleveland

Dear Jim,

Enclosed is a copy of a letter that we sent to Dover Air Force Base on Jan. 3, 1979. As yet, we have received no answer.

According to radio + TV reports, the bodies are to be shipped to California soon. We would like to have an answer before that happens.

We have no proof that our daughter was there. She supposedly went to California in September or October of '78 + "disappeared." From things that she said in her last letter, we think that she may have been involved with the People's Temple or some similar group.

(over)

would you help us to get an answer from Does the Truck Bank? If her passport is not there, we'll look elsewhere. Thank you.

Hoping to hear from you soon.

Sincerely,

John & Janice Thompson

Sirs:

We are searching for information on Susan L. Thompson of New Hampshire, New York, or possibly California.

Would you please check the passports of the People's Temple members & write us if you have her.

This is only guessing on our part, but we felt that we had to check it out. Our daughter is white, 5'11"-tall, brown hair, age 30 years.

Thank you,

Mr. & Mrs. John A. Thompson
